## WAHA Varsity Game Program Summary 2007 – 2008 Season

Dear Sponsor,

On behalf of WAHA and the many youth hockey players in Westborough, we would like to thank you for considering support of our Varsity Game Program. At each of the eligible home games for Westborough High School varsity hockey this season, we will be distributing game programs which list the home and visiting team rosters. In addition, the back page will carry advertising copy from our participating sponsors.

The sponsorship cost for one of our game programs is \$125 for the full page (5 ½" x 8 ½") or \$75 for a half page and is tax-deductible. Camera-ready art or any Adobe PDF file can be easily inserted for printing. Attendance at the varsity games will usually average between 200 – 300 people and this is a great opportunity to reach many residents of Westborough as well as the surrounding communities visiting our home rink.

This program was a big success last season and we are excited to be offering it again this year. For any additional questions or to sponsor an ad in the program, please email us at [info@westborohockey.com](mailto:info@westborohockey.com).

We also welcome you to visit our website at [www.westborohockey.com](http://www.westborohockey.com).

Kind regards,

WAHA Board of Directors
